Mike Nalesco is working on a website for the residents and it will be WWNHOA.com. It will take a couple of months to get fully up and running but you can check it out from time to time. Looking forward to its

completion. It can be used for newsletters, pictures, general information, items for sale or free, etc.

Christmas seems far away but if we want a Christmas party, we need to start planning in order to get the date and catering set up. Charlie McCulloh has generously offered to take care of the music for any event we have. What we need is for two or more people to volunteer to help in coordinating events. Ideally, it would be nice to have an activities committee that could take care of coordinating all activities. Any volunteers?????????

The office has advised that the someone on Shawnee has a water leak that is getting into the sewer system. Please check your toilets and faucets to determine if you have a leak. Thank you.
