December HOA Board and General meeting dates are as follows:

December General mtg (election night), December 4, 7 pm

December Board mtg, December 26, 10 am

## **PRESIDENT’S MONTHLY REPORT**

As the year comes to an end, I would like to review what **YOUR** WWN HOA Board has accomplished for you – the WWN Community.

The Board decided at the first meeting that our primary goal was to make this community a more involved, active, fun community. In order to accomplish this, we decided it would take hard work on our part but if you, the community, responded by becoming more involved we were willing to put in the time. In spite of unanticipated issues that we had to deal with, some of which were beyond our control, we persevered. We started by saying we needed two Board meetings per month in order to accomplish our goals. After five months of these extra meetings the Board had set up the procedures needed to be able to accomplish what needed to be done with a normal meeting schedule. As a team we never wavered from our plan, as you, the community, signed up to help us with set-up, clean-up, or whatever assistance we needed. We even had non-Board members come up with their own ideas for events and ran them.

As a Board we wish to thank the Community for coming together and we hope this is just the start of a more active Community in the years to come. I would like to take credit for what has been accomplished this year, however, the biggest thing that I did right was to allow the talented members of the Board to do their jobs the way they believed they should be done. As I always said, “the President is the least powerful member of the Board as the only time he can vote on an item is when there is a tie.” I think most will agree the Board members did a great job for the WWN Community.

My two biggest disappointments this year are: 1) that we still have a lack of Community members excited enough to join the Board. I would suggest to those who are interested in the community to come to our Board meetings to see what we do. I know there are many of you who could add a lot to this community. In January, one of the new Board’s first tasks will be to find a seventh member; 2) we didn’t complete our work on changes to the By-Laws. A lot of hard work has been put into this project, which will be completed, hopefully, early in 2024.

I’m proud as a member of the Board to provide a list of most of our accomplishments in 2023. To all of those who assisted in any way, including attending any of these accomplishments, I thank you for your support. I will be a member of the Board again next year, though I don’t know in what capacity, and look forward to your continued support. You can all be proud of the following that was accomplished this year:

Completed Projects: 1) New Digital Sign; 2) Finalization of Spectrum Deal (provided by previous Board); 3) Negotiations of a reasonable monthly rent increase; 4) New and Improved Newsletter; 5) AED Improvements – training, equipment upgrade and inspection schedule; 6) Website – upgrade program, new Webmaster, easier to activate, password security for specified files, community phone list – update at least monthly.

Events: monthly breakfasts; Valentine’s Day dinner/dance; ice cream socials; poker run and dinner; Woodstock party/dance; Cinco de Mayo party/dance; Mother’s/Father’s Day brunch; pot lunch dinners; Pool party; monthly movie nights; Halloween Party; Tarpon Springs trip; Festival of Lights trip; Spooky Golf Cart Parade; Golf Cart Christmas Caroling; Thanksgiving & Christmas dinners.

Policy & Procedures: Upgraded Treasurer’s (Appendix A of By-Laws); Event planning; recurring HOA expenses.

*...continued on page 4*

## VETERANS’ DAY LUNCHEON/ CELEBRATION

The Veterans’ Day Celebration was held on November 10, 2023 at the clubhouse.

Speakers from the Tampa VA spoke about services for Veterans.

“Quilts of Valor” were presented to Rick Perron, Bill Robbins, Bob Reinhard, Bill Alexander and Harry Kyler. A heartfelt presentation by Karen Sabin, one who sews for Quilts of Valor, and a member of the Daughters of the American Revolution helped to present the Quilts. Prizes were awarded by drawing for Veterans names.

Soups (varied varieties) were made by the ladies of the community, and sandwiches, chips, drink and cupcakes were the menu for lunch. Thank you to Marliss Bord, Sandy North, Diane Pistocco, Vivien Dickey, and Deb Pellerin for helping to serve, and to all those who stayed to clean up. Thank you to Edith Humes, Sandy Taylor, Deb Pellerin, Sandy North, Diane Pistocco, Rena Kraus, Gerry Freer, Vivien Dickey, Linda Conklin, Roberta Stewart, Nova Edgerton, and Marliss Bord for the delicious soups.

## WEB PAGE INFORMATION - WWNHOA.COM

Phonebook and bylaws are password protected. To get the password, email your request to: a2wnhoa@gmail.com.

The HOA has a website available to everyone to view, wwnhoa.com, and mentioned in every newsletter. Looking at the counter, it is not viewed or utilized very well. The site has the most up-to-date and current Community information, as well as the most recent phone list updates and Bylaws. The phone list and bylaws require a password. The password needs to be requested by email at: a2wnhoa@gmail.com. The HOA pays an annual fee to maintain the website, so if it is not used, this is money wasted. A big thank you goes to Butch for updating, maintaining, and improving the website. Again, to stay as up-to-date as possible for happenings in an around our community, our website is the best way we have found to communicate with all our residents. Be sure to use it and encourage all your neighbors to use it too.

To subscribe to phonebook updates, a sign-up sheet is on the bulletin board in the large clubhouse.

## **YES, YOU'VE PROBABLY SEEN**

the classic 1984 holiday movie *A Christmas Story* 50 times. 10 fun facts you probably didn't know: (from Google research, there is so much more!)

1. **Jack Nicholson was very interested in playing Ralphie's dad.** But casting (and paying) Jack would have meant doubling the budget, so he was removed from consideration. Director Bob Clark (who didn't know Nicholson was interested at the time) says Darrin McGavin was the perfect choice. After all, Jack would have been too much of a scene-stealer.
2. **What does Porky's, the raunchy '80s teen sex movie, have to do with a wholesome film like *A Christmas Story*?** Bob Clark directed both – *Porky's* in 1982 and *A Christmas Story* in 1983. If *Porky's* hadn't given him the professional and financial success he needed, he wouldn't have been able to bring *A Christmas Story* to the big screen.
3. **For those keeping count, Ralphie says he wants the Red Ryder BB Gun 28 times** throughout the course of the movie. That's approximately once

every three minutes and 20 seconds.

4. **Peter Billingsley, who played Ralphie**, has been friends with Vince Vaughn since they both appeared in the CBS Schoolbreak Special (their version of the after-school special) in the early '90s. Peter doesn't do much acting these days, but he did make a surprise appearance on the "*Vince Vaughn Wild West Comedy Show*" in Memphis, TN, in 2005.
5. **Mythbusters tested whether it was possible to get your tongue truly stuck on a piece of cold metal.** Guess what? It is - So don't triple dog dare your best friend to try it.
6. **Scott Schwartz, who played Flick (the kid who stuck his tongue on the frozen flagpole)**, was submerged in the adult film industry for a number of years. He got out in 2000 to try to become a mainstream actor again, but he really hasn't done much of note: Community College ("A love story between four dudes and their ability to get free drinks.") and *Skinwalker*, which starred ex-MTV veejay Jesse Camp, if that tells you anything.
7. **Next time you're in Cleveland, you can visit the original house from the movie for only \$7.50.** It was sold on eBay in 2004 for \$150,000. Collector Brian Jones, bought the house and restored it to its movie glory and stocked it up with some of the original props from the film including Randy's snowsuit.
8. **Director Bob Clark got the idea for the movie when he was driving in the car with a date.** He heard Jean Shepherd on the radio doing a reading of his short story collection, *In God We Trust... All Others Pay Cash*, which included some bits that eventually ended up in *A Christmas Story*. Clark said he drove around the block for an hour until the program ended, which his date was not too happy about.
9. **The TV show *The Wonder Years* was inspired by *A Christmas Story*.** In fact, in one of the last few episodes, Peter Billingsley appeared as one of Kevin Arnold's roommates.
10. **The real Red Ryder BB Gun was first made in 1938 and was named after a comic strip cowboy.** You can still buy it today for the low, low price of \$44.99. But the original wasn't quite the same as the one in the movie – it lacked the compass and sundial that both the Jean Shepard story and the movie call for. Special versions had to be made just for *A Christmas Story*.

Merry Christmas! Don't Shoot Your Eye Out, kid!

## OLD-TIME CAKE DOUGHNUTS

2 tablespoons butter, softened  
1 ½ cups sugar divided  
3 large eggs, room temperature  
4 cups all-purpose flour  
1 tablespoon baking powder

3 teaspoons ground cinnamon, divided  
½ teaspoon salt  
1/8 teaspoon ground pumpkin-pie spice  
¾ cup 2% milk  
Oil for deep-fat frying

### Directions:

In a large bowl, beat butter and 1 cup sugar until crumbly, about 2 minutes. Add eggs, 1 at a time, beating well after each addition.

Combine the flour, baking powder, 1 teaspoon cinnamon, salt and pumpkin pie spice; add to butter mixture alternately with milk, beating well after each addition. Cover and refrigerate for 2 hours.

Turn onto a heavily floured surface; pat dough to ¼-inch thickness. Cut with a floured 2 ½ inch doughnut cutter. In an electric skillet or deep fryer, heat oil to 375 degrees.

Fry doughnuts, a few at a time, until golden brown on both sides. Drain on paper towels.

Combine remaining sugar and cinnamon; roll warm doughnuts in mixture.

ENJOY!
